Keith Hall, Director

Honorable Rob Bishop
Chairman
Committee on Natural Resources
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

The Congressional Budget Office has reviewed H.R. 2768, the Fowler and Boskoff Peaks Designation Act, as ordered reported by the House Committee on Natural Resources on July 26, 2017.

CBO estimates that enacting this legislation to name two mountain peaks on federal land would have no significant effect on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting the legislation would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 2768 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Jeff LaFave.

Sincerely,

A handwritten signature in black ink, appearing to read 'H. Hall', written over a light blue horizontal line.
